Important Form Information

NHA must receive a Guest's Booking Form and Release of Liability, Waiver of Claims, Assumption of Risk, & Binding Arbitration Agreement in its Louisville, CO office within 14 days of making an initial booking or deposit. All forms can be completed online using the link provided by NHA or by paper form if requested. Failure to do so may result in the cancellation of Guest's booking by NHA with no refund beyond those listed in our cancellation policy.

Providing Truthful, Current and Complete Information

When reviewing a Trip's Physical Requirements and confirming Guest's ability to meet them, completing the Booking Form for a Trip, or providing any other information about Guest's fitness to participate in a Trip, it is very important that answers to each question are truthful, current and complete, in order for us to ensure the quality of our Trips for all Guests. One or more Guests who cannot perform the required physical activities, however limited those activities may be, may adversely affect the experience for the entire group. If it is determined that Guest has provided false information or concealed any information or pre-existing condition(s) and is subsequently unable to participate fully in a Trip as a result, NHA reserves the right to cancel Guest's participation in the Trip without any refund. If a Trip is in progress, and Guest requires additional services or is required to be evacuated from a Trip as a result of such failure, Guest will be charged all extra expenses, including evacuation expenses, and will not receive a refund for any unused Trip services.

NHA's Quality & Value Guarantee

NHA has committed to our Guests that our Trips are of the highest quality at the best value, and we back that up with our exclusive Quality & Value Guarantee.

We'll Deliver on Our Promises

NHA guarantees our Trips will meet the high standards and expectations we set, or NHA will gladly give Guest(s) a credit toward a future Trip. We're so confident our Trips will meet the quality standards we promise that we stand behind them with what we believe is the best guarantee in the travel industry. This satisfaction guarantee can apply to an entire Trip or to a portion of a Trip. For example, should a Guest find that the accommodations do not match the standards we promised but the rest of the Trip was great, NHA will apply the accommodations portion of the Guest's fee to a future Trip. Some items cannot easily be quantified, so, on the off chance a Guest is dissatisfied with an item that does not have a straightforward dollar value, NHA will work with the Guest to come up with a suitable credit amount. NHA's Operations Department will make all final decisions on values. The important part of our guarantee is that the Trip must meet the expectations set in NHA's website, not unreasonable expectations that do not match the promises we've made. As Guests read our website, they'll see that we have made some bold promises, so the standards we have set are already very high.

The Best Trip at the Best Price

No other company we know of offers a comparable experience when taking into account NHA's unique itineraries, exceptional wild locations, small groups and expert naturalist Expedition Leaders. But, should a Guest come across a matching itinerary of our quality at a lower price within 30 days of booking an NHA Trip, NHA will gladly refund the difference. Here are the restrictions: Guest must notify us within 30 days after the initial booking with NHA; the other company must be a U.S.-based tour operator (not a travel agency) that is actually participating in the operation of the trip rather than merely booking another company's product; the Guest must fax, email or send us that company's brochure indicating who the company is (or direct us to its website); the trip must be of equal quality with the same or very similar itinerary; the departure dates must be the same or very similar, not dates that are what NHA would consider a different season; the trip must actually be available from the company offering it, not a "base price" offered on a minimal number of departures. The trip cannot be a "fire sale" offer of unused inventory. Here are the parameters within the trip itself: All inclusions must be similar; the accommodations must be similar; the group size must be the same or smaller; the level of guide training must be comparable; if the itinerary is a slightly different length, we will prorate it. Should the other trip include airfare where NHA's does not, the Guest must ask the other company to quote them a land-only rate.

NHA Will Never Cancel

While other companies often cancel trips due to low enrollment, NHA guarantees we never will. We have created our “no cancellation policy” so our Guests can have confidence in their travel plans. If a Guest books, they’re going! On rare occasions outside NHA’s control, our suppliers, including ship and hotel operators, may cancel our accommodations. Should this occur, NHA will do everything we can to move Guest(s) to a comparable Trip but cannot guarantee the ability to do so. Additionally, should Guest numbers on a specific departure fall below a certain number, some activities and services, including the size of vehicles, and the guiding service, may be altered to be more consistent with a smaller group size. Furthermore, we reserve the right to cancel or alter activities and excursions within a Trip itinerary with little or no notice as a result of factors beyond our control (e.g., inclement weather leading to safety concerns). In some cases where a comparable activity or Trip cannot be arranged, NHA, at its sole discretion, may provide a credit toward a future Trip. Please remember this is adventure travel, and even the best-laid plans may be fluid. NHA will not be liable for any accompanying expenses incurred by a Guest in preparation for a Trip (such as gear purchases, hotel reservations, airline tickets, etc.).

Itinerary Changes

Adventure travel is inherently prone to complications and alterations. In some circumstances, it may be necessary to change accommodations, transportation, activities or other services, sometimes with little or no notice. In such cases, NHA will make reasonable efforts to provide comparable substitutions wherever possible. NHA will keep Guests updated on any changes that may affect Guests’ arrival or departure.

Physical Requirements

Guests must meet the physical requirements for a Trip in order to participate, determined solely at NHA’s discretion. Our Trips are intended for persons in good physical and mental health, with reasonably good mobility. The “Physical Requirements” section on each Trip page on our website provides important information regarding the physical expectations for that Trip. Please read this information carefully. Should any condition that inhibits a Guest’s ability to meet the physical requirements, whether physical or mental, become apparent at any point prior to or during a Trip, NHA reserves the right to deny the Guest’s participation or continuation on a Trip. NHA may require that a Guest provide medical approval before departure or during a Trip as a condition of participation. Special arrangements may be made for certain conditions on specific Trips only, at NHA’s sole discretion.

Guest Conduct and Limitations

NHA operates Trips in natural areas where unpredictable conditions sometimes exist. To avoid potentially dangerous situations, both for Guests and for wildlife, it is extremely important that all Guests obey the rules and regulations set forth by the Expedition Leader(s) and/or Local Guide(s) or other representatives of NHA, and demonstrate reasonable consideration and respect for all staff and fellow Guests. Additionally, NHA reserves the right, in our sole discretion, to prohibit any Guest from joining a Trip if, in our opinion, that Guest’s physical, emotional, or behavioral limitations or actions pose or could pose a threat to her/his safety or enjoyment, or that of other Guests or staff, or the safety of wildlife.

NHA also reserves the right to prohibit any Guest from continuing on a Trip if such limitations or actions pose or could pose a threat to his/her safety or enjoyment, or that of other Guests or staff, or the safety of wildlife. Disrespectful, inappropriate or lewd behavior, foul language, excessive intoxication, or other behaviors that could endanger or negatively impact others will not be tolerated, and Guests may not be permitted to join or continue on a Trip in such circumstances. Should a Guest not be permitted to join a Trip or be asked to leave a Trip in progress, there will be no refund of any portion of the Trip price, used or unused, nor will NHA be responsible for any additional expenses incurred by the Guest as a result of his/her dismissal.

Viewing Wildlife

Because most NHA Trips specialize in viewing wildlife, every effort is made to arrange itineraries to places where wildlife is known to exist on those Trips. However, the animals we encounter live wild and free, and we cannot fully predict nor control their movements (nor would we want to). In an attempt to locate wildlife that may have deviated from its normal movement patterns, or in the interest of Guests' comfort, safety or other circumstances, NHA may be required to make changes to accommodations, modes of transportation, activities or other itinerary elements, sometimes with little or no notice.

Wildlife viewing may vary significantly due to numerous factors including wildlife movements and behavior, weather conditions, human interference, and changes in species biodiversity and density in the various locations visited. While NHA, along with local Tour Operator(s), makes best efforts to provide an outstanding wildlife viewing experience, NHA cannot guarantee the availability, diversity and/or quantity of wildlife, including what is described in our catalog, website and related imagery.

NHA's Marketing Materials

The images shown in our printed materials and on our website represent what our Guests have regularly seen on "typical" Trips in the past (or in the case of a new Trip, what our staff and researchers have previously seen). Due to weather and/or shifting wildlife conditions, some Trips may have fewer close encounters with wildlife than we normally anticipate. Also, be aware that some images in our materials are taken with a telephoto lens, and Guests should not assume that they will get very close to wildlife in such circumstances. For example, we may show a close-up shot of a wolf, viewed through a telephoto lens, but nearly all our encounters with wolves are at a distance.

Getting to or from an NHA Trip

NHA Guests are responsible for getting to the starting point of their Trip, and for arriving by the designated start time on the first day of the Trip. Should Guests be delayed for any reason in getting to or departing from a Trip, or must leave a Trip early, NHA is not liable for any additional costs incurred in joining or leaving the Trip (such as costs for accommodations or transportation), nor will Guests receive a refund for any missed portion of the Trip as a result of a late arrival or early departure.

NHA's Travel Desk

NHA's Travel Desk assists Guests in purchasing international air tickets and certain hotel reservations. Flight itineraries, hotel reservations and any additional services (such as transfers, seat assignments or upgrades, etc.) booked by NHA's Travel Desk are always subject to change per airline rules and restrictions. NHA's Travel Desk does not book flights within the United States or Canada, and cannot book flights with airline miles. In the event of flight delays, cancellations, or any other modifications to flight schedules, NHA is not responsible for and cannot, per airline rules, make changes to airline tickets or rebook flights purchased independently and therefore, Guests must contact the airline or booking agency directly in order to make any and all such changes themselves. Guests are responsible for any and all fees or additional costs associated with flight delays, cancellations, or other modifications to flight itineraries, whether tickets were purchased through NHA's Travel Desk or independently. Many airline tickets are nonrefundable and have substantial change fees, which is why NHA recommends that Guests purchase additional travel insurance to cover airfare.

Luggage Restrictions

Some NHA Trips have enforced luggage weight restrictions. Many vehicles have limited space, and when traveling in light aircraft, overweight conditions can create a serious safety hazard, thus we adhere to strict limits on luggage weight. All restrictions on carry-on baggage include camera equipment. Guests should

pack light and follow the guidelines in our pre-Trip materials. Baggage exceeding specified limits is subject to being left behind or forwarded at Guest's expense.

To Book Your Trip

Call Our Office

Our office is open Monday through Saturday. Call 800-543-8917 (U.S. & Canada) or 303-449-3711 (int'l), and one of our Adventure Specialists will be happy to answer your questions, check availability for the Trip of your choice, and take your deposit.

Book Online

Most of our Trips can be booked online, an expedient option, since our small-group departures tend to fill fast. Go to our website at www.nathab.com, find the Trip you'd like to join, and click on the orange "Book Now" button.

Deposits

Most NHA Trips require a \$500 deposit to reserve a space. The exact deposit amount for each Trip, along with the cancellation policy for that Trip, is listed on the individual Trip pages on NHA's website. Guests can pay their deposit by Visa, MasterCard, Discover, American Express or eCheck.

Trip Prices

Trip prices listed in NHA's catalog are valid at the time of printing. Keep in mind that costs for services in the remote areas we travel to can change throughout the year, so small changes in price and in itineraries may occur and will be reflected in updates on our website. All Trip prices are in U.S. dollars.

Trip Inclusions

Each NHA itinerary includes a variety of features and elements unique to that specific Trip. Guests should consult Trip pages on NHA's website for a full list of inclusions and exclusions for the Trip of their choice.

Confirmation Documents & Pre-Departure Briefing

Upon booking, Guests will receive confirmation and initial documents, including air travel information, visa and vaccination requirements (if any), a reading list and more. Approximately two to three months prior to departure, Guests will receive a comprehensive Pre-Departure Briefing with details about the Trip, destination, history and wildlife of the region, what to pack, and how best to prepare. We can send the Pre-Departure Briefing electronically if Guests indicate this preference.

Trip Cancellation & Refund Policies

NHA understands how disappointing it can be in the event a Guest is forced to cancel his/her Trip, especially after a long period of anticipation. But we, too, plan for these Trips for a long time prior to departure and continuously send nonrefundable payments to hotels and other suppliers. Therefore, we must strictly adhere to our Trip cancellation and refund policies for all Guests. NHA strongly suggests purchasing travel insurance in the event a Guest must cancel (please see the Travel Insurance section below). The following are NHA's cancellation policies:

- J All cancellations processed 121 or more calendar days prior to departure will incur a \$100 cancellation fee per person. This fee is transferable to another Trip. Some Trips have nonrefundable deposits that are not transferable. Please consult the specific Trip page on NHA's website for details.
- J Cancellations made 61 to 120 calendar days prior to departure are assessed a cancellation fee of 50% of the entire Trip price, including Extensions.

- J Cancellations made 60 calendar days or less prior to departure are assessed a cancellation fee of 100% of the Trip price, including Extensions.
- J Guests traveling on Adventure Cruises must adhere to the payment requirements, cancellation policies, and terms and conditions set by the ship owner/operator.
- J Private or Custom Trips have special cancellation policies as set forth within each individual Trip proposal.

All cancellations must be made in writing by mail or by email and received and acknowledged by NHA. Travel insurance purchased through NHA is completely nonrefundable once purchased.

Final Payment

Final payment for most Trips is due 120 days prior to departure. Please consult the specific Trip page on NHA's website for details. For our Guests' convenience, the final balance will be charged to their credit card on the due date, unless the Guest indicates in writing prior to the final balance-due date a preference to pay by alternate means. If payment is not received by the final balance-due date, the Guest(s)' reservation is subject to cancellation. NHA will also charge the travel insurance premium at that time unless we receive a written declination of the provided policy from the Guest.

Custom Trips: If a booking involves a Custom Trip or Custom Extension, either for an individual or group, the full payment, cancellation and refund policies provided to the Guest in connection with the booking supersede the policies listed above. Most Custom Trips and Custom Extensions require a 25% nonrefundable deposit. Please ask an Adventure Specialist for more details.

Adventure Cruises: For Adventure Cruises booked through NHA, Guest contracts with the ship operator or cruise line directly and must adhere to the ship operator's or cruise line's terms and conditions and payment policies. Please ask an Adventure Specialist for more details.

Travel Insurance

To help protect Guests' financial liability, NHA strongly suggests purchasing travel insurance. NHA has arranged a plan with Arch Insurance Company designed specifically for our Guests. Please see the Resources page on our website for details. NHA will include the cost of the Natural Habitat Travel Protection Plan option in Guest's confirmation letter, along with detailed information about coverage. NHA asks for Guest's written confirmation to purchase or decline the purchase of such travel insurance. All insurance purchased is nonrefundable after the 10-day review period. Medical evacuation insurance purchased through NHA, either as a part of the Natural Habitat Travel Protection Plan or on its own, is required for some Trips. Please consult the "Important Information about This Trip" section of each individual Trip page on our website. In the future, other Trips may be added to this list with little or no notice.

The travel insurance coverage NHA offers is underwritten by Arch Insurance Company, NAIC#11150, and policies are administered by Arch Insurance Solutions Inc. View a full description of coverage online at naturalhabitat.archinsurancesolutions.com or if you have questions, contact Arch Insurance Solutions Inc. at 1-844-872-4163.

Document Requirements & Vaccinations

Guests are responsible for obtaining and maintaining all required documents and vaccinations in order to participate in an NHA Trip. These can include, but are not limited to, valid passports, visas and vaccinations. NHA will provide details on all requirements for a particular Trip in the pre-Trip materials. Should Guests not have necessary, valid documents or vaccines and therefore miss some or all of a Trip, Guests will not receive any refund, full or partial, based on the used or unused portion of a Trip.

For current passport and visa requirements, please visit travel.state.gov as well as individual country websites and/or embassies in the countries visited. For up-to-date vaccine information, please visit cdc.gov/travel.

Single Guests

Single room accommodations are subject to a single room surcharge, which guarantees a private room without a roommate (where available). To accommodate our single Guests, we have made a concerted effort to keep our single room surcharges as low as possible. In order to do so, it may mean that single Guests are placed in a smaller single room, rather than a double occupancy room. Single room accommodations are not available on all Trips. Additionally, we cannot always guarantee single accommodations even after reservations and confirmations have been made.

For Guests who wish to avoid the single room surcharge, we are happy to attempt a roommate match. We will do our best to find a same-sex roommate; however, if we cannot arrange a match, NHA may charge 50% of the single room surcharge. Please consult specific Trip pages on NHA's website for details. This amount will be charged approximately 60 days prior to departure. On all Custom Trips, 100% of the single room surcharge will always apply, as there is no opportunity to arrange a roommate match.

Please note the following policy for Guests arriving prior to Day 1 of the Trip: If a Guest is matched with a roommate on the Trip, and if their roommate is also arriving early, they will be paired together in a double occupancy room, at the double occupancy rate, for any pre-Trip hotel nights or scheduled Extensions.

Family Travel & Age Requirements

NHA welcomes families on certain Trips and offers select Family Trip Departures. On most Family Trip Departures, children 6 years and older are welcome. However, while many 6-year-olds are well-suited for some or all of our Family Trip Departures, some may not be ready for the expectations of group travel. For this reason, we recommend considering this age minimum as a guideline, rather than a hard and fast rule. Due to safety regulations, physical limitations and concerns regarding group dynamics, we do not allow children younger than 6 on our Trips. Additionally, some Trips, or specific activities within a Trip, have a higher minimum age requirement. Please contact us for age requirements for a specific Trip. On all Trips, guardians of children under age 18 must sign the minor permission waiver portion of the Agreement requiring guardians to ensure that children in their care do not place themselves, other Guests, staff or wildlife in harm's way, or jeopardize the enjoyment of the Trip for the group as a whole.

Cell Phones & Other Electronics

NHA's Trips are designed to provide our Guests with immersive nature experiences. With this goal in mind, we try our very best to minimize the use of electronic devices on our Trips. We respectfully ask that Guests not use mobile phones or tablets/computers in the presence of other Guests, unless such use is an integral component of the Trip, as when a phone is used as a camera, or on special photography departures where Guests may come together to edit photos on computers in the evenings. This policy is especially applicable in secluded or enclosed areas, during presentations, or at mealtimes when we are often recapping our day, preparing for the next day, or sharing stories of our nature encounters. Please note that our Expedition Leaders often need to use cell phones or other communication devices in order to ensure a smooth and safe Trip experience, but even they attempt to keep use at a minimum in our Guests' presence.

Camera Use

NHA understands and supports our Guests' desire to capture memories of their Trip in photos. However, NHA requires that all Guests maintain respect for fellow Guests, staff and wildlife while operating cameras, and that Guests use cameras in a safe and appropriate manner at all times. NHA also aims to provide fair

and balanced photography opportunities for all Guests. Guests must follow all rules set forth by the Expedition Leader(s) to ensure a safe experience and to ensure that all Guests have similar opportunities and advantages, as much as feasible, for photography.

Though NHA discourages the use of “Selfie Sticks,” they must be used in a manner that is respectful and conscientious of other Guests, staff and wildlife. Please note that in certain destinations, “Selfie Sticks” may be prohibited by local authorities.

Drones

Drones are not permitted on any NHA Trip.

Personal Property

NHA is not liable for any lost, stolen or damaged personal property, including but not limited to: cell phones, camera equipment, computers, tablets, luggage or personal belongings, money, credit or debit cards, personal identification documents such as passports, licenses or other travel documents, etc. We strongly recommend the purchase of travel insurance to help protect against potential loss or damage.

Language Policy

All NHA Trips are conducted in English. Guests participating in NHA Trips must have a proficient understanding of the English language in order to fully enjoy all aspects of the Trip and, most importantly, to fully understand all rules and safety instructions provided by the Expedition Leader(s). NHA is unable to provide translated pre-Trip materials or translators during the Trip. Additionally, NHA reserves the right, in our sole discretion, to prohibit any Guest from joining or continuing on a Trip if that Guest’s language limitations pose or could pose a threat to his/her safety or enjoyment, or that of other Guests or staff, or the safety of wildlife. Should a Guest not be permitted to join a Trip or be asked to leave a Trip in progress, there will be no refund of any portion of the Trip price, used or unused, nor will NHA be responsible for any additional expenses incurred by the Guest as a result of his/her dismissal.

Firearm Policy

Guests are prohibited from bringing, carrying or utilizing any type of firearm on all NHA Trips. On certain Trips, Expedition Leader(s) and/or Local Guide(s) may carry firearms for safety purposes only. Please ask an Adventure Specialist for more information.

Smoking

Guests may not use cigarettes, cigars, e-cigarettes, vaporizers, marijuana, or any other such item in areas where others are affected, such as in vehicles, within enclosed areas, or in the presence of others. Most accommodations NHA secures do not allow smoking, and additionally, Trips generally have limited opportunities where smoking is permissible. NHA will not alter or change activities or adversely affect other Guests to accommodate those who smoke.

Alcohol, Prescription Medications & Illegal Drugs

Guests of legal drinking age may enjoy alcohol in moderation on NHA Trips. Excessive intoxication or other behaviors resulting from alcohol or other substance use, including prescription or over-the-counter medications, that pose or could pose a threat to a Guest’s safety or enjoyment, or that of other Guests or staff, or the safety of wildlife will not be tolerated, and a Guest may not be permitted to continue on a Trip in such circumstances. The use of illegal drugs (defined as illegal in the country or region visited) is never permitted on any NHA Trip and is grounds for immediate dismissal from a Trip. Guests are responsible for knowing and observing the licensing and other laws for drug possession including both prescription medications and illegal drugs for all countries and states visited. The use of recreational marijuana, even

where legal, is also never permitted on any NHA Trip and is grounds for immediate dismissal from a Trip. Should a Guest be asked to leave a Trip in progress, there will be no refund of any portion of the Trip price, used or unused, nor will NHA be responsible for any additional expenses incurred by the Guest as a result of this dismissal.

Harassment Policy

NHA is committed to providing Trips free from any form of harassment and disrespectful or other inappropriate conduct based on sex (including pregnancy, childbirth, breastfeeding or related medical conditions), race, religion (including religious dress and grooming practices), color, gender (including gender identity and gender expression), national origin, ancestry, physical or mental disability, medical condition, marital status, registered domestic partner status, age, sexual orientation, military and veteran status or any other basis protected by federal, state or local law or ordinance or regulation. Prohibited harassment, disrespectful or inappropriate conduct includes, but is not limited to, the following behavior: 1) verbal conduct such as epithets, derogatory jokes or comments, slurs or unwanted sexual advances, invitations, comments, posts or messages; 2) visual displays such as derogatory and/or sexually oriented posters, photography, cartoons, drawings or gestures; 3) physical conduct including assault, unwanted touching, intentionally blocking normal movement or interfering with the Trip because of sex, race or any other protected basis; and 4) threats and demands to submit to sexual requests or sexual advances. Guests should report any harassment, disrespectful or inappropriate conduct immediately to the Expedition Leader(s). Harassment, disrespectful or inappropriate conduct may be grounds for immediate dismissal from a Trip. Should a Guest be asked to leave a Trip in progress, there will be no refund of any portion of the Trip price, used or unused, nor will NHA be responsible for any additional expenses incurred by the Guest as a result of this dismissal.

World Wildlife Fund

Since 2003, World Wildlife Fund, Inc. ("WWF"), the world's leading environmental conservation organization, has partnered with NHA to provide conservation travel experiences in the planet's most captivating wild places. WWF selected NHA as its travel partner because of NHA's long-standing commitment to conservation and the high quality of NHA's Trips. NHA has provided nearly \$3 million to WWF's global conservation efforts over the past decade and will continue to give 1% of gross sales plus \$100,000 annually through 2023 in support of WWF's mission to conserve nature and reduce the most pressing threats to the diversity of life on Earth. Further information is available from NHA. WWF does not own, operate or control NHA nor any of the companies or individuals that supply goods or services for the travel described in NHA's printed materials and website, including, without limitations, hotels, restaurants, and transportation whether by air, boat, bus, train, automobile or other vehicle. As a result, WWF is not liable for any negligent or willful act or failure to act of any such company or individual not within its control.

Privacy Statement

When a Guest books an NHA Trip, NHA will collect certain personal identifying information including but not limited to addresses, telephone numbers, e-mail addresses, credit card information, passport information, emergency contact information and personal/medical information. All Guest information collected by NHA is governed by our Privacy Policy. Please see the Privacy Policy page on our website for details. All health information is treated as confidential.
